

Lyrics to "America Again" by Carman

George Washington, Thomas Jefferson, First Chief Justice John Jay.

Names synonymous with the spirit of our country; founding fathers of the U.S.A.

Over 200 years ago they shook off the chains of tyranny from Great Britain, by divine call.

Citing 27 biblical violations, they wrote the Declaration of Independence, with liberty, and justice, for all.

But something happened since Jefferson called the Bible the cornerstone for American liberty, then
put it in our schools as a light.

Or since 'Give me liberty or give me death!' Patrick Henry said, our country was founded on the
Gospel of Jesus Christ.

We eliminated God from the equation of American life, thus eliminating the reason this Nation first
began.

From beyond the grave I hear the voices of our founding fathers plead, you need God in America,
again.

Of the 55 men who formed the Constitution, 52 were active members of their church.

Founding fathers like Noah Webster, who wrote the first dictionary, could literally quote the Bible,
chapter and verse.

James Madison said, 'We've staked our future on our ability to follow the 10 Commandments, with all
our heart.'

These men believed you couldn't even call yourself an American, if you subvert the Word of God.

In his farewell address, Washington said, 'You can't have national morality apart from Religious
principal,' and it's true...

We need God in America, God in America again.
